Advertisement for Qualifications

The City of Asheville Office of Sustainability is soliciting qualifications from interested and qualified contractors to provide professional design services and energy assessment for the U.S. Cellular Center, located at 87 Haywood Street, Asheville, NC. As more fully explained in the RFQ, an award, if made, will be made to the contractor whose qualifications and subsequent negotiations provides the best and most advantageous offer for the City.

Questions regarding this RFQ should be emailed to Kerby Smithson, Energy Analyst with the City of Asheville Office of Sustainability at [ksmithson@ashevillenc.gov](mailto:ksmithson@ashevillenc.gov).

Proposals are due at 11:00 AM, Thursday July 31, 2014.

The city of Asheville reserves the right to accept or reject any and all proposals and further specifically reserves the right to negotiate the award in the best interest of the City of Asheville.

Full RFQ and potential addendums are available at [www.ashevillenc.gov/bids](http://www.ashevillenc.gov/bids). The Office of Sustainability will provide paper copied of documents if it is not possible for the potential bidder to reproduce them from the electronic files provided on the website.

All bids must be enclosed in a sealed envelope and properly labeled.

Thank you for your interest.

Sincerely,

Kerby Smithson
